

# How to Access Zoom Telemedicine Visit from your Computer

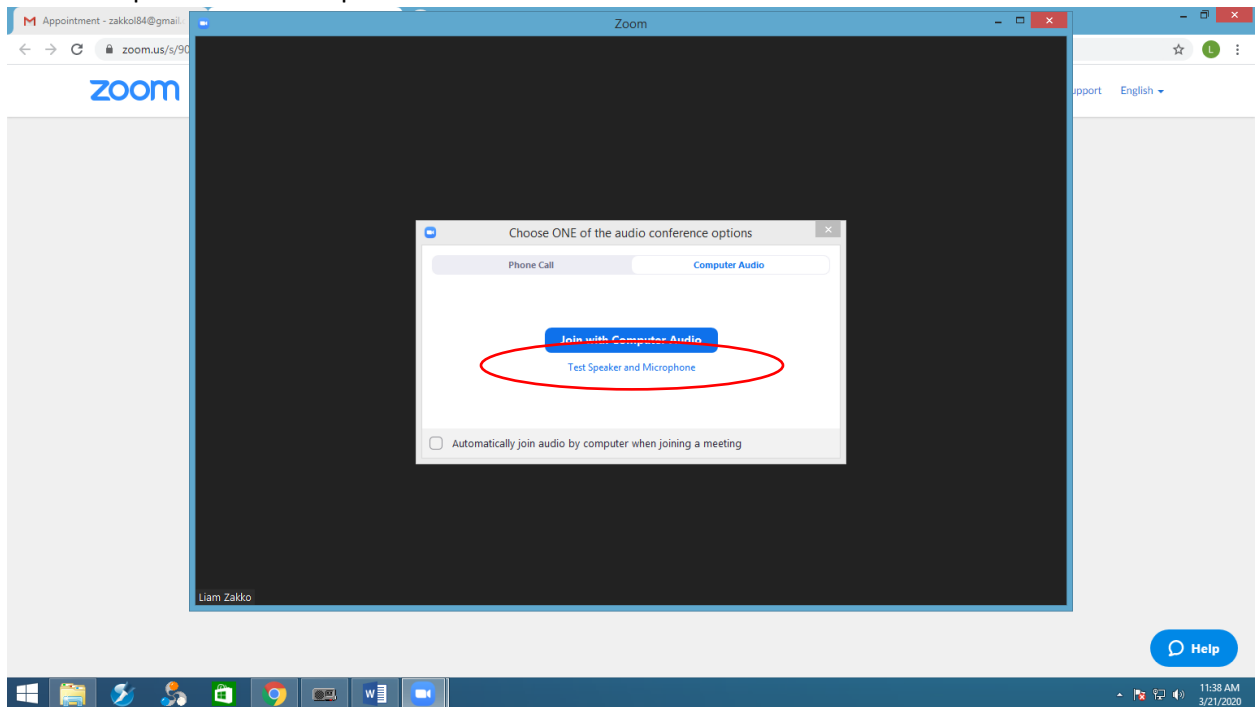

- 1) Make sure you are in an area with good internet connection. Make sure your computer has a webcam and that it is turned on. Make sure your computer has a microphone and that it is turned on.
- 2) Go to your email and find the email from donotreply@connecticutgi.org.
- 3) Open the email and click on the “Join Zoom Meeting” link as circled below

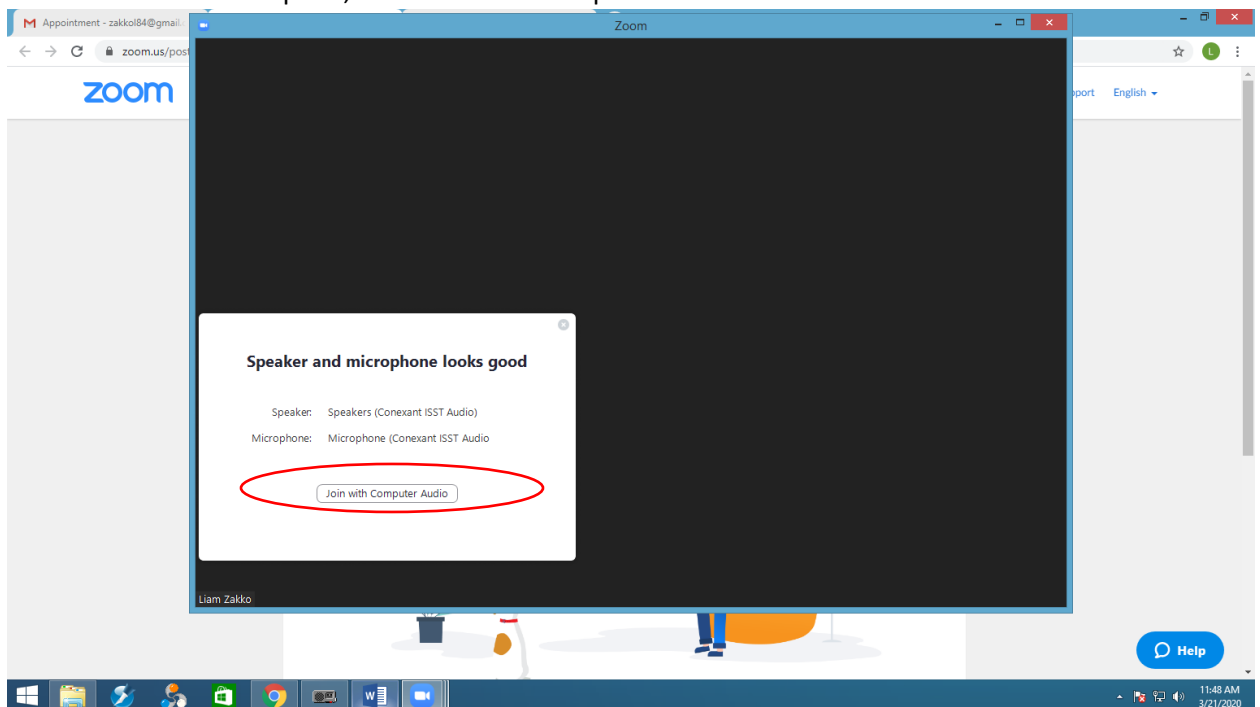

- 4) When new window opens, then click “Open Zoom” button as circled below

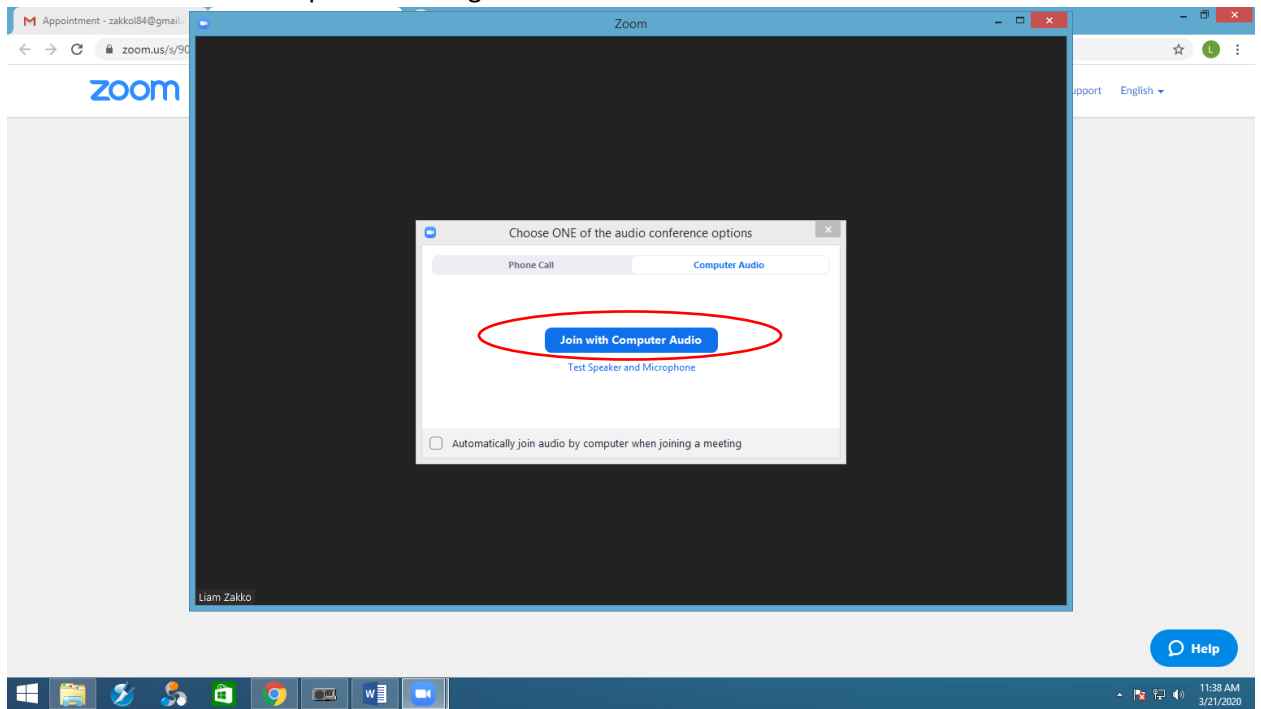

5) Click test speaker and microphone and follow the directions.

6) Once the tests are complete, click "Join with computer audio"

7) Then click “Join with computer audio again.” You should now be in the visit.

8) This is a link for Zoom support if you have further questions: <https://support.zoom.us/hc/en-us/articles/201362193-How-Do-I-Join-A-Meeting->
